

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Accept Donation from Lodi Kiwanis Club - Picnic Area at Kofu Park

MEETING DATE: January 18, 1995

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council accept the generous Lodi Kiwanis Club project of a developed picnic pad, tables and barbecue at Kofu Park.

BACKGROUND INFORMATION: As part of our effort to involve local service clubs with the city and our department, we present a project that was completed last summer but not recognized as it should have been.

You are aware of the "Gift Catalog" program we developed this past year and the publication of our "Dreams and Ideas" booklet. This is the reason this project was accomplished.

The Kiwanis Club of Lodi needed a community service project. They came to us and we gave them the Kofu Park Picnic Area Project. There seemed to be a need for a small group area at this park for team and family uses. The project was completed this past summer/early fall and already is in use.

We recognize this organization for their contribution to the City and our department's efforts to provide facilities for residents and sport team needs.

FUNDING: None. Time, only in developing the plans and specifications and general assistance by our Project Coordinator and Park Supervisors as construction was going on.
